Looking for the Motivation, focusing on the positive is our approach.

Rewarding activity gets you more of it.
Punishing an activity gets you less of it.

‘Who We Are’ Exhibition Outstanding - at Dunn Lewis this week!!

Over the year we have been encouraging our students to put forward their interpretation of “who we are”, what we love, admire, believe, do, and so on with photography.

The exhibition is open all this week at the Dunn Lewis Centre, Monday 2nd December until Sunday 8th December. View photos that have been submitted for The Summit Times during the year. Outstanding photographers like Jakcob M, Leroy B and others have their works on display. This Friday 6th December at 5pm we invite students, parents and friends of the photographers to a viewing and gathering to meet the budding young photographers. We have a lucky door prize, the winner can select any photograph to take home. We have a special guest surf photographer who will be joining us to talk about his work. It will be a fabulous opportunity! See you there!

We believe in safe, responsible young people

Being safe, behaving considerately and responsibly, includes when travelling to and from school.

We have a number of outstanding young riders... however...

skateboards and scooters are NOT TO BE BROUGHT TO SCHOOL

Students are not to use skateboards or scooters to travel to and from school. The school cannot take responsibility for the supervision of students’ skateboards and scooters. It is potentially dangerous and unacceptable behavior to use the local shopping centres and carparks for skateboard or scooter riding.

If students want to ride their skateboards and scooters with their friends after school they must go home first and pick up their boards and scooters, and then ride them to appropriate places, ie the Skate Park - not the shopping centres.

Bring Your Own Technology

As we make real world connections to prepare our students, I have had a number of students ask, MUST you bring a device? Answer: The concept of Bring Your Own technology is supported by our “addressing Equity”. That is, a student will be disadvantaged if they do not have their own device. The following strategies are in place:

1) Pooled devices to be made available for students who do not have access to a device. Currently we have a Q block set and F block set of devices. There are enough devices from donations from our Year 12 leavers to make class sets.
2) DER laptops will be made available to students on a long term loan basis
3) BYOD recommendations include devices with prices starting from $169
4) Local suppliers have offered a ‘layby option’.
5) Planning is in place to have a set of higher end spec laptops for photography students in 2014, to facilitate complex photography software
STOP WORK MEETING for teachers
Tuesday 3rd December

Members of the NSW Teachers Federation will be participating in a 2 hour Stop Work meeting from 9-11am, called to discuss the State Government policies on working conditions, student learning opportunities and the resourcing of our schools.

The staff at Ulladulla High School will be among those participating in the Stop Work meeting and, therefore, in consideration of the safety of students, the school will have minimal supervision. Parents and caregivers of all students are asked to make suitable alternative arrangements for their children for the 2 hour stop work meeting. The canteen will be open as usual for recess and lunch.

Normal school will resume at 11am and the following normal bell times will apply:
Roll call: 11:05 – 11.25am
The remainder of the day will proceed as normal starting with period 3 at 11.25am.

Denise Lofts, Principal, Ulladulla High School

School Captains Shine

Congratulations to Bonnie H and Luke T for their participation in the Lions Youth of the Year Competition. At the Branch finals on Wednesday 20th November, Bonnie claimed the public speaking prize and Luke was declared the overall winner. Luke now progresses to the next round of this prestigious competition. Bonnie impressed the judges with her humorous speech on the influence of technology on society and Luke was excellent as he spoke about organ donation, a personal passion for him.
From Canteen

Red Food Day Wednesday
- Nachos $2
- Brownies $1
- Donuts $1
- Small range of confectionery

Go to [http://www.ulladulla-h.schools.nsw.edu.au](http://www.ulladulla-h.schools.nsw.edu.au) for the Canteen menu & pricelist and get your lunch orders in before 9am.

Canteen phone number is now 4454 1758 Ext 149

Free vegemite toast available Tuesday and Thursday mornings thanks to the SRC volunteers and Ulladulla Anglican Church.

P&C News

Presentation Night is Monday 16th December and the Executive have been requesting support from our local businesses for the door raffle (drawn on the night).

We would like to say a big thank you for the donations so far:
- Funland: 2 x $20 cards
- Twin Arcadia Cinema: 2 movie passes
- Bunnings: $50 voucher
- Civic Video movie vouchers
- Sydney Observatory passes
- Dunn & Lewis bowling passes

We look forward to selling raffle tickets at Presentation Night.

Are active kids less likely to be bullied?
Researchers have found kids who do extracurricular activities (such as sport or voluntary work) tend to be safer online, encounter less cyberbullying, and are more resilient to harassment if it occurs. Find out more: [http://www.schoolatoz.nsw.edu.au/technology/cyberbullying/kids-who-are-less-likely-to-be-cyberbullied](http://www.schoolatoz.nsw.edu.au/technology/cyberbullying/kids-who-are-less-likely-to-be-cyberbullied)

Students of the Week

Amanda C, Year 12, UHS is proud of Amanda Craig who had the honour of being selected by author Robin de Crespigny author of “The People Smuggler” as mentor for this signed book within UHS. Chosen for her interest in politics, refugees, protests and her love of reading.

Newton H, Year 10, works consistently and is a great role model for all UHS students. This quiet achiever works hard and deserves the well earned acknowledgment for his efforts.

Congratulations to Amanda and Newton. Keep up the good work!

We look forward to bringing you next week’s students of the week!

Promotion Roll Call
Rai Thistlethwayte Visit

Ulladulla High was recently chosen as one of six schools to pilot a new national in-school music program called Musos in Residence. This gave 20 UHS music students and Mr Grace the opportunity to work with award winning songwriter and musician, Rai Thistlethwayte (best known as front man for Thirsty Merc) and producer-to-the-stars, Robert Conley (Ricky Martin, Tina Arena, Beyonce, Kiss), right here in the music rooms at our school!

An initiative of APRA/AMCOS and supported by The Australian Government through the Ministry for the Arts and the Education Department, Musos in Residence is a hothouse mentoring program about the creative process.

Students heard real-world advice from the industry professionals about the business and creative side of being a professional musician and then worked in small co-writing groups to write new music and have it recorded.

‘There are some very talented kids at this school,’ said Robert, after Day 1. ‘We’ve got 5 great songs emerging very quickly from these groups.”

Following the pilot, which has involved three schools in Victoria and three in NSW, the program will roll out to 50 schools nationally from early next year.

Lachlan C of roll call 10A is the ACT state champion in 10m Junior Air Pistol for the third consecutive year. He successfully defended his title in November. Well done Lachlan!

Food Technology Student Shines

“The brief was to make a burger that describes you and I would like to be a pastry chef, so I made a cupcake burger. The bun was a caramel mudcake that had green on the bottom which was coconut sweetened and coloured. This was to represent lettuce. The meat was a chocolate pancake and there were two types of icing, vanilla and butterscotch/lemon, to represent tomato sauce and mustard. The meat patty was topped with strawberries to look like beetroot, the bun was covered with sesame seeds and served with a side order of chips (which were apple batons).”

Nathan M Y8

A comment from Mrs Murdoch (teacher): This is exceptional work from such a young and talented student. It is moments like these that remind me of why I am a Food Technology teacher. Congratulations Nathan!

Heartfelt Thank You To All

“Dear Teachers, Friends, SRC and Office Ladies
Thank you for supporting me after our recent house fire. I am very happy and thankful to everybody who helped me. I am especially thankful to the SRC who put together a beautiful and wonderful basket of gifts. Thank you so much everyone...” From Alex J
