First things first... going from good to great!

Term 4 is about consolidating. It is about, ensuring that you put yourself in the best position to be better than you were last term in preparation for 2015. Ask yourself what small improvement can I make, set your goals and go for it! This term, I want to ensure that all students have the opportunity to share their ideas about what we “can do better” and how we might go about achieving these milestones. It can be as simple as ‘having and using a diary everyday’. Keep on top of the small things and you will soon see big improvements.

David R Lions Youth of the Year

Congratulations to David, Year 11, who won both the overall and public speaking sections of the local Lions Youth of the Year at the end of last term. Jacob Williams was the overall Runner-up and Bonnie H addressed the members on her experiences at Camp Koala. Congratulations to all participants on the night.

Our student leaders inspirational!

Gilmore Youth Leadership Forum is a youth leadership initiative where students across the Shoalhaven gather to collaborate on the big issues concerning youth, develop their leadership skills and, in particular, how to inspire our youth of the region to be the change they want to see in the community. I am very proud of the way they represented our school.

A great ex student of ours who coordinates the forum, Alana Faust, had this to say, “We had three young leaders from UHS complete the program: Tahlia S, Jacob W and Gene J. I was extremely impressed and proud to have these three step out of their comfort zone throughout the conference. As usual the Ulladulla students brought their enthusiastic, knowledgeable and humorous attitude to the group. They have shown immense leadership potential and I am positive that they have discovered a lot about themselves, their passions, their goals and what their future can hold.”. Fantastic Team!

All in a day in the outdoor classroom, Max Z completed his outdoor education course for the Headstart program.

#GetDeep… A Campaign to promote education for girls worldwide.

Our Year 9 Psychology class blew me away with their thoughtful presentation about an initiative for educating girls in poverty stricken countries. The class ‘pitched’ their ideas about what they can do, WHEN A GIRL IS EDUCATED, EVERYTHING CHANGES. Their aim is to raise awareness by holding a sleep over event on November 14th in our MPC with 20 girls from each year group. The big plan is to eventually travel to a third world country to volunteer to help improve the educational opportunities of girls in these countries.

Have a fabulous first week back!

App of the Week

Meet Fresh Paint – the ultimate canvas for your big ideas.
Recycled Fairytales Hit The Catwalk
The end of Term 3 saw the culmination of a joint Year 10 Drama and Photography Project Based Unit in which the elements of photography were teamed with the elements of production. Result... a fantastic fashion parade of costumes designed and made by the students from recycled materials, supported by digital backdrops, voice-overs and a portfolio of fashion shots.

Vaccination Victory
The Polio Vaccination fundraiser held by the SRC on Monday was a success. Year 7 students competed within their classes to see which class would raise the most money to provide vaccinations for children in third world countries. 7 Red donated $41.30 to the cause, which means that approximately 69 children will benefit from the Rotary program as one vaccination costs 60c. The total amount of money raised by Year 7 was $168.35 which will benefit 281 children across the world. The top five classes were: 7 Red, 7 Green who raised $33.15, 7 Indigo, who raised $31.80, 7 Violet, raised $27 and 7 Purple, who raised $15.05. Congratulations to 7 Red for taking out first prize!

Marine Aquarium Room
The aquarium room is up and operational! Year 10 Marine Studies are keeping aquariums in F5 for Term 3 and 4 this year as part of their Water Quality Analysis and Aquaculture units. Students design, set up and maintain a freshwater aquarium for single periods. During doubles, students are currently studying Whales and Seafood Preparation.

‘Transformers: Age of Extinction’ begins after an epic battle left a great city torn, but with the world saved. As humanity picks up the pieces, a shadowy group reveals itself in an attempt to control the direction of history while an ancient, powerful new menace sets Earth in its crosshairs. With help from a new cast of humans, Optimus Prime and the Autobots rise to meet their most fearsome challenge yet. In an incredible adventure, they are swept up in a war of good and evil, ultimately leading to a climactic battle across the world.

Destiny
In Destiny (from the creators of Halo) you are a Guardian of the last city on Earth. You are able to wield incredible power. Explore the ancient ruins of our solar system, from the vast dunes of Mars to the lush jungles of Venus. Defeat Earth’s enemies. Reclaim all that we have lost. Become legend.

Our Budding Journalists/Promo Roll Call
Instead of hiding behind the camera we have them under the lens! Lead and encouraged by the wonderful Ms Skagen and Mrs Knight, they are a group of 21 enthusiastic, humorous intelligent students. They write ‘Hashtags’, do student interviews and spread the news. So well done Promotion Roll Call and keep up the good work! PS Don’t forget they are always asking what you would like to read and see - so give your suggestions and tell them what a good job they are doing!

Students of the Week
Piper H, Year 7 is a great sportswoman, achieving good results in her swimming. Piper is a capable and enthusiastic student.

Samuel B, Year 9 is a confident and very capable student. He works hard at all subjects achieving great results. He is very friendly and well-liked by his peers.

Ulladulla Dockers bring home the Premiership
On Saturday 2nd September the Ulladulla Dockers travelled to Towradgi to play in the grand final at North Dalton against the Wollongong Bulldogs.
The Dockers got away with a nail-biting win, winning with a free kick just before the siren blew when the Dockers player stepped back and slotted it straight through the middle 54-50.

The school had a few students who played extremely well in the senior side: Lachlan C, Liam R, Brett C, Jordan C, Isaac A and Mitch “Donny” D.
All these players are good team players and a credit to their AFL team and school. Well done boys.
