Noellar in Top 45 of AIME’s Got Game
We are proud to announce that Noellar M has been shortlisted into the Top 45 talents Australia wide in AIME’s Got Game. The competition was officially launched and the voting has started.

To provide you all with a little context, earlier in the year we ran a session with our students called ‘AIME’s Got Game’. In this session we asked students to step out of their comfort zones and share with us their hidden talent. There were many amazing talents that we witnessed on the day. 
AIME’s Got Game is an online talent competition showcasing the fresh skills of 45 Indigenous Australian high school kids. The Top 45 have been selected from over 1,500 participants who completed the AIME’s Got Game workshops as part of the AIME program. These students represent a new generation of talented Indigenous youth who want to send a message to Australia that is filled with hope, positivity and success.

Your vote will determine a Top 10, who will be flown to Sydney in December to work with industry mentors, perform to huge crowds, light up our imaginations and record the official AIME Anthem for 2014.
It is now time to get behind Noellar to make sure she makes it into the Top 10. Please click on the link on our FACEBOOK page to vote**. Noellar McGlynn - Ulladulla High School “AIME’s got GAME top 45 in the nation!

Please share this with peers, friends and family.
P.S. You can only vote once per device per day. As an extra incentive, AIME organize a free BBQ for all of the students at the school if Noellar makes it into the TOP 10! We can do it!

#SRCSECtacklethehardissues and work toward excellence for all students
Mindfulness, happiness, resilience, sustainability and being an active bystander were some of the hard issues that were taken on by the SRC and the SEC at their recent leadership camp. It was evident that all the students wanted to make a big difference for our students and were not afraid to be advocates for our school being a great place to be by ensuring all students had a voice, had the opportunity to be resilient and be the best they can be. Such ideas about extending the ‘string movement’ and ensuring great programs like the ‘Reach workshops’ were always part of our school program were discussed. We look forward to hearing and seeing their ideas come to life. A huge thanks to Ms Waters and Mr Woodland for their energy, passion and leadership to mentor our student leaders.

Ava selected for Illawarra South East Debating Team
Having an understanding of the protocols of debating is a challenge and Ava D, Year 9, has certainly proved that she is good with ideas and words. She has been selected in the Illawarra South East debating team to compete in Sydney against other regions in a NSW state competition in December.
Congratulations Ava and good luck!

Year 11/12 have opportunity to goal set
Tuesday afternoon is a time for Year 11/12 to meet with Mrs Taplin to build their vision and success story for the HSC. Students will be mentored to setting goals, developing milestones and strategies in which to achieve their goals.
Have a fantastic week! Denise Lofts, Principal

**Principal’s last word....**
Surround yourself with those on the same mission of success as you. Together is better than alone. Positive mind...Positive vibes…Positive life

**App of the WEEK**
Kindle
Kindle is for Android and ipad. It is a free reading app available for devices.

**#GetDeep... A campaign to promote education for girls worldwide**
From Friday 28th November 5:45pm to Saturday 29th November 8:00am the Year 9 Psychology class is running a sleepover for girls in the MPC. This great initiative is raising money for disadvantaged girls in Africa, who have the right to a world class education just like everyone else but sadly don’t. This event is only available for the first 20 girls per year group with their note and money. Notes and information can be obtained from Ms Clare, Year 9 Psychology teacher. **This event is only $15** for a night of fun, games, food and movies. All the money raised will go to onegirl.org. Any donations would be greatly appreciated.

Promotion Roll Call and Year 9 Psychology Class

**Plastic Bottles: A Thing of the Past**
The SEC has purchased the ‘Water Filling Station!’ This is all part of a great plan to phase out all purchasable plastic water bottles at the canteen. This Station will enable students and teachers to fill and re-fill their permanent drink bottles. The location of this setup is on the right hand side of the canteen, near the vending machines. Water stations have already been installed in the local area (Milton) by Shoalhaven City Council *(pictured)* and all have proved to be great successes. So go fill up today!

Kyle H, Promo Roll Call

**Potentially Serious Situation Handled Well**
Life is full of surprises as we all know and Thursday morning was no exception. A gas leak was noticed in a building at the school and it was considered evacuation was the safe option. Thank you to all students, staff and parents/carers for your support on the day. Safety is always our main priority and with the help of the police and emergency services there were no complications to rectifying the problem. Thank you everyone.

**Real World Mathematics**
At the moment Year 11/12 Headstart are studying financial Mathematics so their teacher, Steve Campbell, organised Bendigo Bank Manager Leigh Felton to come along to class and talk about credit cards, personal loans, savings, superannuation, wills, and everyday general banking needs. The class had great questions for Leigh about banking and learnt a lot. We would like to thank Mr Felton of Bendigo Bank for giving the class his time and wisdom.

This page is created by Promotion Roll Call and we would love suggestions or requests for this page - email us at promorollcall@gmail.com

**Movie Review:**
**Dawn of the Planet of the Apes**
Duration: 130 minutes
Director: Matt Reeves
Rating: 8.1/10 (IMDb)

A growing nation of genetically evolved apes led by Caesar is threatened by a band of human survivors of the devastating virus unleashed a decade earlier. They reach a fragile peace, but it proves short-lived, as both sides are brought to the brink of a war that will determine who will emerge as Earth's dominant species.
Kendall in Top 25 of Photo Competition

Kendall S, Year 11/12, is a great example of a student stepping up for success. Entering her photo in the 2014 Moran Contemporary Photographic Prize (a competition she heard about through the Marine Photography Program at the school) has placed her in the Top 25. The winning student in the Y11-12 section receives $5,000 and so does their school. Kendall’s photo will be displayed at the Moran Prizes Exhibition at: Juniper Hall 250 Oxford Street, Paddington from Wednesday 29th October 2014 to Sunday 15th February, 2015 Wednesday to Sunday 10:00am to 5:00pm. Good luck Kendall. The finalists and further information is available at: http://www.moranprizes.com.au/

Students of the Week

Grace C Year 9 does a wonderful job supplying articles, photographs and information for ‘The Summit Times’. Grace is a Promotion Roll Call student who never ceases hunting down interesting stories and pictures of musicians.

Alex H Year 7 is a committed and respectful student who strives to achieve his best at all times.

Congratulations Grace and Alex.
Keep up the good work!
We look forward to bringing you next week’s students of the week!
Promotion Roll Call
