The following letter from a Year 12 Mum says it all...

To The Principal and staff,

“I would like to commend Michael Ramsden Year 12 Year Advisor. Last night’s formal at the Civic Centre was exceptional. Great location, great theme and full of feeling, emotion and care as was the Graduation assembly. How lucky this group of students have been to have had Michael as their mentor over the past six years. Every excursion and event he has planned has been well organised, full of thought and care. Ulladulla High should feel ever proud to have such a dedicated teacher. As a parent of a Year 12 student I would like to say Thank You to Michael. Yours sincerely Rhonda Kennedy”

All the Formal photographs will be available for download at NO charge. People may then print pictures at their leisure. We expect that all photos will be available by Friday 21st November. Photos available for viewing and downloading from:

Creative Spirits alive and well!

Last week our creative and performing arts students created an amazing event. It included stunning paintings, photography and sculpture, which was balanced with equally impressive dance, rock band and drama performances. Also including Year 9 Drama students with their “Art Bourgeois”, critiquing the artworks through an entertaining and lively analysis of the artworks in full character. Congratulations to all creative artists who showcased their work.

Have a Fantastic week,

Jacob W in Parliament already?

Last Monday Jacob W, UHS School Captain, participated in the 2014 NSW Schools Constitutional Convention. This year’s topic for discussion was about recognising the Indigenous Australians in the constitution. The 100 students from all over NSW discussed the topic with some really interesting and valid points raised. Students broke off into 5 groups where they were to elect a person to present the ideas and give a brief overview of what was discussed to all the students in the Legislative Assembly; they were also to elect a chair person to run the discussion. Jacob was elected into both of these positions. He has also been selected as 1 of 30 other students from across NSW to attend the National Constitutional Convention in March next year. “I really enjoyed speaking in NSW Parliament House; I can’t wait to be able to talk to people from across Australia about this topic in Canberra next year and I am very thankful for this opportunity and would recommend it to anyone who has an interest in law making”.

The Girl

Orange. It is all I can see. The colour of her hair reminds me of an oompa loompa, or a man who put on too much tanning oil. Her eyes, however, are as blue as the ocean and when they twinkle it makes me smile. Pretty. She is beautiful and lights up the room like the sun. If only she would stay here forever. Forever in my sight, but she has to go, whenever I do. As I look, she copies me; her hands are placed beside her body, swaying ever so slightly. When I move my foot she moves hers too. I walk closer to her and she does the same. I don’t know why… wait yes I do. I’m standing in front of my mirror.

Peace is the answer

Stop the war, stop the fights,
And allow the innocent to sleep at night.
No more shooting, nor more deaths,
Let all the soldiers have a rest.
Stop the bullets from flying in the sky,
And replace them with birds soaring up high.
The children’s lives are forever destroyed,
But let them live a life full of joy.
Help the wounded get on the their feet,
And give everybody plenty of food to eat.
Help out every person you see,
And pass around happiness for all for free.
Let the butterflies flutter all about,
And love everyone around you with no doubt.
Be humble and nice to everyone near.
Not angry and stubborn year upon year.
The good moods spread from one person to another,
So soon the whole world will have lots of colours.
Let the world be full of love and light,
Not unhappy things like fear and fright.
Then finally everyone might actually see,
That peace is the way to be truly free.

Outstanding invoices for school and subject
contributions have recently been mailed out. Your
school contributions and fees are vital in providing the
everyday consumable items students need to undertake
lessons and create necessary learning experiences. Please
effort to have these contributions paid before 8
December. Limited funds are still available in financial
assistance should you qualify and applications forms are
available at the office. We would like to thank all the
parents/carers who have come to the school recently and
settled the invoices.

‘Spread the Happiness’
The SRC are working on a campaign called
‘Spread the Happiness’. The initiative aims to
combat the exclusivity which is seen around
our school. They are working to make the playground a fair
and inclusive place for all. This will aim to combat bullying
indirectly by spreading joy. More news to come soon…
