"Excellence is achieved in a framework of high expectation"

Congratulations Zac C, the newly voted Vice School Captain. Zac is a hardworking and dedicated Year 12 student who is endeavouring to achieve the best he can in all things he attempts. He is an impressive addition to the senior SRC and the role of Vice School Captain. He is ably assisted by Holly, Ben and Ned to the SRC.

Have a voice and stand for something

Last week a team of our SRC Members, Jacob W, Stephanie K and Leroy B, Year 11 students, and Miss Gooze travelled to Shoalhaven Council to be part of the Youth Shoalhaven Advisory Committee. This was an opportunity to communicate their ideas. In a world class school, students should have the right and opportunity to participate in school governance and constructing the physical, social and cognitive environment. We want our students to have the opportunity to give their ideas and be heard. Our SRC and SEC are fine examples of this.

“It was great to be involved in having a say in what happens in our local area. The best thing about having a team of representatives on the Shoalhaven Youth Advisory Committee from our school is that we all have a voice - all we need to do is speak up. If you want us to raise anything make sure that you come and see the SRC.” Jacob W

“I was the first one in my family to go to University. “

I hear this a lot from past students. They are very proud of the opportunities that Ulladulla High School gave them. While at school they took every opportunity to work hard, listen to their teachers and care about their school. Education has provided them with a lifestyle and a life, they always wanted. This is the same as my story, I was the first one in my family to go to university. The education I gained from the outstanding Public school I attended was priceless. I feel privileged to have had the dream of going to university and for it to come true was life changing. This is why I want this for all our students, to be able to say the same thing. To go to university and embrace further education to achieve their dreams is my staff’s passion for all our students. Keep that thought.

“You can never be over dressed, or over educated”.

“Bring your own learning” in the world of BYOD

Microsoft365 as promised is arriving. This online application is free to all department of education students and also offers the free download of Office Suite. The access to this excellent industry standard software explicitly supports excellent implementation of students BYO devices and we are pleased with this excellent initiative for our students. More information is outlined in this edition of the Summit times, also refer to our website for all BYOD information. Our students are embracing the excellent tool to enhance their learning. Great work!

What will you choose?

To fight or flight
To abandon or help
Does the true essence of our nature triumph?
Or will we change history and choose another path?
Will we abandon the need of help?
Will we forget the kindness of others when they do something wrong?
Or will we remember only what we wish to remember?
Will we turn a blind eye as we fight and abandon?
Or will we run from these horrors........take flight!
Or will we take the third option we must create ourselves
And will we make salinity our third option?
I ask you,
Which will you choose?

Hassett Cup Cricket Report

Ulladulla High School Under 14 Cricket Team wins first round match against Moruya High School.

On Wednesday 26th the Ulladulla High School Hassett Cup team put on a powerful display in difficult conditions against Moruya High School. After winning the toss, captain Jared S sent the opposition in to bat under a nasty grey sky. Cody R opened the bowling and soon had the visitors in trouble, taking 2 wickets in his first over and finding himself on a hat trick! Fellow opening bowler Travis W kept up the pressure taking valuable wickets and keeping the runs down. At the first rain delay Moruya were in plenty of trouble at 6 for 9 and the only real threat seemed to be the weather. After a short break, play resumed and Moruya managed to score some much needed runs before Dale R and Zane S broke through to clean up the tail. Birthday boy Ben R and Lleyton R took a couple of solid catches, which was all the more impressive given the wet conditions and a ball that was like a bar of soap. Moruya all out for 34 and once again the rain was back. Luckily the boys were able to get back on and after some early nerves, held it together to score the runs required for the loss of 4 wickets. Batting in the persistent drizzle was certainly hard and the ball was moving around. Well done to Jared who opened the batting and stayed in throughout the innings to ensure UHS got home. The boys then enjoyed some practice with the Moruya team making it a good day played in the right spirit. Nathan S especially seemed to relish the chance to get a hit in the middle, crunching one massive 4! Looking forward to our next match which will be against either Eden or Narooma High.

Year 10 Biathlon = Fun!

After previous PE lessons spent down at the beach, the students of Year 10 and some teachers travelled down to North Molly on the 24th of February, to participate in a biathlon.

It was great to see the students participating in this event and even encouraging their fellow students on this beautiful day. After the races were completed we were lucky enough to have a free swim and go to the beach hut to get some snacks. We would like to thank the teachers that came along to help out and especially Mr Wood for organising the whole event.

HELP! CANTEEN VOLUNTEERS NEEDED
The Canteen provides a service for approximately 1100 UHS students (half of whom use the Canteen regularly). The school’s large number of staff are also catered for. The Parents & Citizens Association use the Canteen as its main fundraiser. We are desperately seeking volunteers who might have 4 hours (from 10am-2pm) to spare once a month or once a term. Volunteers help in the preparation of foods, general tidying up and serving only if they wish. The donation of time by parents enables us to make a profit, even though prices are kept at reasonable levels for prepared food items.
We have approximately 9 volunteers at present. Volunteers can be Aunties, Uncles, Grandparents - you do not need to have a child at this school.

Our Canteen carries a range of hot and cold foods, as well as drinks, snacks, milk, ice-creams etc (which fits the Healthy School Canteen criteria). Our Supervisor, Lynda Sayers can be contacted during school time on Ph: 4454 1758. Lynda, and her Assistant, Kim, try to make all volunteers comfortable in an open, friendly climate.

Please complete the section below and return it to the Canteen as soon as possible if you can assist.
