A school needs to be agile, responsive and the best classroom in the world.
As the term ends we reflect on the things that we have achieved and the things we can do better. The more we connect learning to the real world, the greater we prepare our students for tomorrow’s world. This week we have seen Year 9 intellectual thinking through the presentations of projects of learning, sport free choice with spectacular conditions for surfing, stand up paddle, and year 7 exploring ageless fossils on our harbor foreshore.

“The best teachers are those who show where to look, but don’t tell you what to see”

Congratulations to all those students on your efforts and achievements at the Principal’s Awards ceremony.
It is through dedication, hardwork and perseverance that students achieve their goals. At the Principal’s Awards ceremony we acknowledged your efforts. You are the types of people we want in our community and who will guide our world into the future.

Congratulations year 7 and 8 for supporting ‘Relay for Life’ Social.
The costumes, the music and the spirit showed by our students was superb. Congratulations to the ‘super heroes’ relay for life team on your efforts and dedication to organising the event. This will be the first of many.
Have a fabulous week and a safe restful holiday.
Denise Lofts
Principal
Ulladulla High School

Principal’s last word...
Take time in the holidays to learn something new. Maybe knitting, or surfing, to writing a poem. Be creative, friendly and caring. Our school will be hosting a Principal from High Tech High over the holidays to work with our teachers. We just love learning!!!

Ulladulla High School focuses on personal growth, civic responsibility and learning
All Year 7 students (male and female) will be offered
- Diphtheria, tetanus, pertussis (whooping cough) vaccine
  o This is the adolescent booster needed by all students at this age
- Chicken pox vaccine
  o as a catch-up for students who have not had chickenpox vaccine or disease
- Human Papillomavirus vaccine (HPV)
  o This vaccine provides protection against a virus which could lead to disease in later years

Year 9 boys only will be offered
- Human Papillomavirus vaccine (HPV)
  o This is a catch-up program that commenced in 2013 and will be offered in 2014.
  o Girls in this year group were offered vaccination when they were in Yr 7 and will not be offered vaccination in Yr 9.

If a student missed receiving a vaccination envelope, please see Mrs Hackett in Mara Staffroom.

Talent on Tour

Rachel T (photo right) and Jai-Leigh H (photo below) from Year 9 last week wrapped up the Illawarra & South East (ISE) Regional Touring Ensemble Term 1 Tour. It commenced with a full day rehearsal on Saturday at Nowra High followed by a performance at the Nowra Entertainment Centre as part of the Nowra Relay 4 Life.

On Monday 31st March they performed at Nowra PS, Culburra PS & Greenwell Point PS. On Tuesday 1st April the performance was at Kiama PS, Tullimbah PS & Mt Warrigal PS and on 2nd April they performed at Figtree Heights PS, Woonona HS & Flinders PS.

At this stage, it is in the planning process to tour the Milton/Ulladulla area in Term 2 Week 6. It is a very professional, tight, performance and it will be great for our local public schools to see this year’s show. More photos can be found on the following website:

Y8 invite parents to view their UNIVERSE

In English, Term 1, Year 8 students have studied how our view of the world is a product of interpretation by: generations, myths, legends and ideologies. As a culmination of the unit students have created their worlds. These range from Utopias to Dystopias with a breadth of imagination, knowledge and research evident in each one.

Put them together, 200 worlds, and we have a UNIVERSE! Parents are invited to view the Year 8 Universe on the evening of Parent/Teacher interviews (Monday 7th April) from 4pm at the Drama space where an installation of these worlds is set to impress. Hung from the rails they attract attention and admiration. Do visit.

Open Boys Soccer

Unfortunately UHS team lost their 1st round match last week against Batemans Bay High School 3-1. The boys played well for a make-up team with Max Z, Kyle L and Mason C having standout games.

Thank you to Mr Greg Best for refereeing the game and the MUFC for their support. Better luck next year.

Getting ready for Winter:
Dress Code for Looking Good for Learning

Winter Uniform and news from the Uniform team:

Surveys for Dress and redesigned Girls shorts:
Over the next few weeks we are seeking feedback about the addition of a school dress. A sample will be displayed in the Library and we invite girls and parents to consider this item as an addition/option to the existing uniform. Survey forms are in the Library for you to please have your say.

New Girls Shorts Design for consultation
We have a new design for consultation for the girls shorts. The new design is more tailored with a waistband, side pockets and styled fitting. Girls please let us know what you think. They look good, however, we need your ideas and feedback. Have a look at the display in the Library.

UHS Black Smart Long Trousers for girls arrive early in Term 2 ($39)

To ensure there is no confusion in the expectation for \textit{Winter Uniform for GIRLS}, black yoga style, cotton elastic pants and black sport tights are \textit{NOT} acceptable. They do not \textit{in anyone’s terms} look acceptable. Therefore, until the black UHS dress trousers arrive \textbf{no other black pant is acceptable as uniform.}

Students of the Week
Casey D Year 8 is a good example of what a student looks and sounds like when they are engaged and ready to learn and create their own work. Casey is enthusiastic in class with all class tasks.

Tiarn B Year 10 works to develop sophisticated creative work with her unique flair for artwork on each. UHS is lucky to have a student like this in their midst.

Congratulations to Casey and Tiarn!
Keep up the good work!
We look forward to bringing you next term’s students of the week!

Sport Snippets…

Wow! What beautiful weather we had this week to run free choice sport week… The sun was shining, the birds were singing and the water temperature a beautiful 22 degrees. Students had the opportunity to experience a range of activities some of which they had never tried before. A big thank you to all of the community members who helped make this week a great opportunity for the students: Pam Burridge Surf school, Coastal Paddle Surf, Dunn Lewis Bowling, Ulladulla Tennis Courts, Funland and of course Kellams Bus Lines for transporting the students to and from sport.

Congratulations to the 61 students who received a Principal’s Award. Great entertainment - great audience. It is such a pleasure to recognise the hard work of students in a mass group. Well done everybody!
