We are cultivating a growth mind-set at UHS
Do you have a fixed Mindset or a growth Mindset?

A “fixed mindset” assumes that our character, intelligence, and creative ability are static givens which we can’t change in any meaningful way, and success is the affirmation of that inherent intelligence.

A “growth mindset” on the other hand, thrives on challenge and sees failure not as evidence of unintelligence but as a heartening springboard for growth and for stretching our existing abilities. What this means for us as a school, is that we want our students to have a ‘Growth Mindset’. We want our students to thrive on challenge and that failure is just a springboard to success. It takes much more if you really want to develop, it takes dedication, hard work, tenacity and consistency. Set your plan to thrive on the challenges of school.

Teachers at School in the Holidays Learning
I am very proud of the dedication that our teachers have for our student learning. During the first week of the holidays, 27 of our teachers attended a two day workshop at our school. Along with guests from other schools they worked with Principal Laura McBain from a San Diego school of excellence called High Tech High. We learnt all about PBL and are all very excited about the ‘deeper learning’ achieved by Project Based Learning. This includes the 21st Century skills of collaboration, creativity and critical thinking that is developed as a result of real world projects, allowing students to immerse themselves as part of their learning journey. Google HIGH TECH HIGH and have a look at the projects they produce, amazing!

What picture do we have of the modern ANZAC?
What is and how is war described and illustrated today, what does ‘our national identity’ mean to you?

Last Friday on Anzac Day, I had the honour and privilege to walk in the 2014 Anzac March to the Milton Cenotaph, along with the members of the SRC and Harley S, Year 7, who carried the medals and photos of his great grandfather.

We walked alongside our two partner primary schools Ulladulla Public School and Milton Public School. Our school was proudly represented. The main street of Milton was lined 10 deep with people from our community, clapping our students in a sign of respect. We were marching to acknowledge and show our respect for the sons and daughters lost in war, the Australian forces who serve our country today and to honour our great nation. I observed clearly how the Modern Anzac ceremony has taken its rightful place in our psyche as a great nation.
Whaling Ban

Last week, the International Court of Justice has upheld Australia's bid to ban Japan's Antarctic whaling program. ICJ president Peter Tomka said the court concluded the scientific permits granted by Japan for its whaling program were not scientific research as defined under International Whaling Commission rules.

For the local area this is very beneficial as it allows the whale species to live and thrive in our local oceans. The whale species are now mostly protected and now may not be threatened by extinction in the Southern Ocean.

You should expect to be seeing more whales in the future!

Kyle Hasler, Promotion Roll Call

Can You Feel It?

The Entertainers look forward to seeing everyone at this year’s presentation/show “Can You Feel It”.

“MUSIC lovers are in for an emotional roller-coaster ride!”

We are very proud that many of our students have once again been a vital part of this year’s show...our congratulations to Jessica B, Holly M, Eden C, Mason C, Nikaela P, Tiana P, Jackson G, Joe R and Tessa F. These students have shared their many talents - not only do we have singers and dancers but they are part of the make up team, costuming, lighting and sound.

‘Break a leg’ everybody!

App of the Week

Video Star

by Frontier Design Group

Video Star makes you and your friends the stars of awesome music videos. There's no other app like it! Select from hundreds of built-in effects. Then add Power Packs to crank up the awesome.

Relieving Head Teacher Teaching and Learning Y7-9

NAPLAN Time Again!

During Week 3 this term, all students in Years 7 and 9 will participate in NAPLAN – National Assessment Program-Literacy and Numeracy. The NAPLAN tests will be conducted from 13-15 May 2014.

Tuesday 13 May – Language Conventions (spelling, punctuation and grammar).

Wednesday 14 May – Reading.

Thursday 15 May – Numeracy.

In the Numeracy tests, students do not need any measuring tools such as rulers or protractors; however, they will need a calculator (currently used at school).

Tracey Smith

Relieving Head Teacher Teaching and Learning Y7-9

The same responsible respect was shown at our recent Anzac Day Assembly, which was totally organized by Year 9 History. This was complemented with an outstanding display of history artifacts and presentations for students, parents and staff to view. An outstandingly Great Job!

Have a great week! Denise Lofts, Principal

Principal’s Last word....

Ensure you have that “growth mindset”. Practice, effort and perseverance equals success - talent alone will not get you where you want to go!
Uniform Swap Shop
Open Fridays 8.30am-9am located behind Canteen

From Canteen
Lots of yummy food at good prices!
Free Vegemite Toast available Tuesday and Thursday mornings thanks to the SRC volunteers and Ulladulla Anglican Church

Organise your LUNCH ORDERS in the morning
Prices on http://www.ulladulla-h.schools.nsw.edu.au

P&C Meeting next MONDAY 12th May
We look forward to Mr Betsis, Head Teacher Mathematics, addressing our meeting
We would love to see you there…
7pm in Library

Special ED Footy Tipping Competition
Special ED students have been studying the competition closely and selecting the teams they think will win each week.
Congratulations to the following students Georgia Mai P, Daniel H, Bailey W and Harley S (absent), who were weekly winners for Weeks 5, 6 and 7.

Careers - Cadetships on offer
Bluescope is an international world-class steel solutions business offering cadetships to Year 12 in Materials, Chemical, Mechanical, Electrical, Computer and Mechatronics Engineering plus Chemistry, Information Technology and Procurement and Shared Services. Visit website www.bluescopesteel.com/cadets or facebook.com/bluescopecadets Applications open 1/7/14 and close on 31/8/14.

Who we are - Where we live...

UOW Longitudinal Survey REMINDER
A reminder that the Alcohol and Media online survey will again be conducted in Term 2. Students with Parental Consent (which was provided in 2013) will again be invited to participate – there is NO NEED to provide consent forms again this year as this was done in 2013 for the duration of the study. This is the second year of a three year study and incentive prizes for students and the school are available. There is no need to do anything at this stage, this is just a friendly reminder to parents AND students that if you provided consent to take part in 2013 (even if you did not do the survey because you were away at the time) – you will be able to take part in 2014.
Ros Hackett, Relieving Head Teacher Student Wellbeing

Students of the Week
Antonia B, Year 7, has shown excellence in her attitude towards schoolwork. Antonia's good focus and work ethic are an inspiration to those around her. UHS is proud to have her as a student here.

Jack A, Year 9, is truly a quiet achiever in his approach to school work. Jack is always helpful in the classroom and ready to focus on work. It is always a pleasure for teachers to experience a student who does not need prompting to actively listen to his teacher and peers to better their learning outcomes.

Congratulations to Antonia and Jack. Keep up the good work!
We look forward to bringing you next week’s students of the week!

Promotion Roll Call
**DARINGYAN AND BARA TIE FOR FIRST PLACE!**

Points from the many competitions held throughout Term 1, including the Swimming Carnival and integrated sport competitions, have been added up with the point score being very tight. Bragging rights go to Mr Lake and Mrs Smith (and the Daringyan Stingrays) and Mr Barry and Mrs Mulvey (and the Bara Bream) who are tied for first place. The Gawura Whales just snuck in, in third place, whilst Mrs Ingold and Mr Mastronardi had better pick their act up with their beloved Sharks coming in 4th. Term 2 could see a huge turn around in the point score though as Mr Hallett and Mrs Clare are adamant that they have all the runners in their team which should suit them on Athletics Carnival day. I don’t know about you but I haven’t seen too many whales running lately!

**Congratulations and Good Luck to Oriane V who is competing at the NSW All School Swimming today (Monday 5th) in 50m and 100m Freestyle, 50m Butterfly, 100m Freestyle, 200m Individual Medley and 50m Backstroke - we look forward to hearing Oriane’s results!**

**Congratulations to Bethany N who has been selected in the South Coast Football (soccer) team to compete in Armidale for the State title. Good luck Bethany!**

**Thomas P also competes in the NSW CHS Golf Championships Tuesday and Wednesday this week - good luck!**

**SPORT SNIPPETS**

A big congratulations to our Term 1 MVP’s, Gavin K (Y7), Julian J (Y8), Daniel W (Y9) and Emily C (Y10). These players have been recognised for their high level of sportsmanship and participation throughout Term 1 Sport. Thank you to our sponsors of the MVP awards, AKWA surf, Southern Man, RIP Curl and Arcadia Twin Cinemas who have generously provided prizes for the MVP recipients.
