Developing our leaders

Across the school, our student leaders are characterised as “resourceful, good problem solvers, promoters of school activities, idea-contributors, dependable, and persons who exemplify positive attitudes about life” - in other words, model candidates for higher learning! Hard work, accomplishment, and recognition are vital factors in positive self-image. By taking on positions of responsibility at school and in your community, students feel genuinely good about themselves—which is just as important as looking impressive. Being a leader can benefit a student not only in high school, TAFE and university, but in their professional life. A 2008 study at the University of California Santa Barbara found that people with leadership roles in high school are more likely to hold managerial positions as adults, earning higher incomes than those in non-leadership roles. There are oodles of opportunity to be a leader at UHS. So take a stand and become a leader in our school, SRC representative, SRC Executive, SEC, Prefect and Sports Captains.

I was privileged to see The Entertainers 2014 show last week and how great were they? The quality and the incredible talent was exceptional. You are our stars! Jessica B, Holly M, Eden C, Mason C, Nikaela P, Tiana P and Jackson G were all singers, Alysha B (dancer), Joe R (band member) and Tessa F (backstage as part of work experience). Fantastic!

Putting their sporty muscle into collaboration, idea thinking and doing

Congratulations to our Sports Captains who had a great day last Thursday developing ideas for Sports Assemblies, Sports Carnivals and sport days. It is these collaborative experiences that bring out the best ideas. Go Team!

AIME Excursion

On Wednesday 7 May Years 9, 10 and 12 Gunya students went to Nowra to attend the AIME (Australian Indigenous Mentoring Experience) program. The students were met by AIME mentors and split into year groups where they listened to inspiring stories of success and achievements by indigenous people. One of the AIME mentors was Josh P (above right) who is a former UHS student who is now at University studying teaching. Well done Josh.

Sharing the Indigenous Culture

The Mikawa students visited last week and nine of the Gunya students took them out to the oval to teach them Indigenous Games.

This was a great experience for all students involved. Thank you to Connor, Jessica, Tahlee, Ziggy, Luke, Riley, Jordan, Danielle and Ebony for doing such a great job instructing and to Mrs Bishop for allowing us to share our culture and knowledge.

Sayonara Mikawa students

Last Monday 12th May our Mikawa students departed Australia for their trip back to Japan. We arrived at the bus bay at 8am. There were so many tears, hugs and goodbyes. It was so hard to say goodbye to the students because we were all very close friends at the end of the time they had here. They were such nice people and really friendly towards everyone. As they left on the bus at 8:30am we could see them waving through the window. We will miss them dearly and I hope we can stay in contact.

APP of the Week
“Piano Tiles/Don’t touch the white tile”
Positives: Has simple controls, a good soundtrack, and incredibly addictive gameplay.
Negatives: The piano sounds can be distracting while playing.
The Bottom Line: It’s the perfect mix of simplicity and addictive gameplay that’s easy to learn, but incredibly challenging to get high scores.

P&C Meeting News
We thank Mr Betsis for the informative Mathematics presentation and a special thanks to the Mathematics teachers who came along to introduce themselves.

The following information was advised at our meeting:
Reforms to P&C Federation
The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operation pending Supreme Court action.
While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations.
Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors who will serve on the Federation’s Board of Management.
