We Welcome the Minister for Education

Tomorrow (Tuesday 29th July) we welcome the Minister to our fabulous school for the official opening which starts at 9.30am. This is our opportunity to highlight the amazing achievements that happen at our school and to also celebrate the visionary community leaders who foresaw that our young people needed this high school to be a world class education facility. As I say everyday. we are an exceptional school that is as good as any school in Australia.

Congratulations Leadership Representatives

It’s Okay to say no

Parenting is a difficult task in the 21st Century. However, the core values of being a good parent are still the same as a hundred years ago. You are the adult and in the best interest of your child being successful, you can say no! And no is often the best answer you can give your child when it comes to requests or demands they make upon you. “All my friends are allowed to go...allowed to wear this...allowed to do that...”. As a parent, do your homework and check with other parents, check with the school, this is often not the case. The school is your partner in placing the line in the sand and we will support you. Young people need boundaries and high expectations from adults. We receive notes from students in a student’s handwriting with a parent signature, requesting a whole range of things, in particular variations of uniform. In the real world, it is much tougher, explain that to them. There is often one rule with little variation. I encourage you to build the capacity in your child, that sometimes we just have to accept no and that is the way it is. No buts, no arguments.

Have a fantastic week. Denise Lofts Principal

Outstanding UHS Vocational Education Students - Building Adult World Connections

The Shoalhaven Excellence in Vocational Education and Training Awards were held at Bomaderry Bowling Club on Thursday 26th June. Nine Year 12 students from Ulladulla High School were recipients of an award. Of these nine students, six received additional awards, Student of the Year & Highly Commended, in their area of training. All students were interviewed by a panel and the feedback was extremely positive.

Congratulations to all students on achieving excellence.

Milton Public Thanks Jacob and Aboriginal Education Team for NAIDOC Week Visit

“I wanted to thank you for your support of Milton Public’s NAIDOC week. I thought Jacob W’s speech at Monday’s assembly was fantastic - so great to have a young role model speak so well and give his perspective. He is a credit to himself and I would love you to thank him for me. The children and staff who participated in the Aboriginal games today said the high school students that you sent across did a fantastic job and our kids had a lot of fun. Again, if you could pass on my appreciation to these students. But mostly, I would like to thank you and the team for your support.

From the teachers and the students from Milton Public School.

App of the week Videolicious (FREE)
The fastest way to create great looking videos -- automatically! Turns raw video clips and photos into tightly edited masterpieces in just three simple steps. 1. Choose your shots 2. Tell your story 3. Choose your music. Then Videolicious creates a finished video, edited and layered together like a professional video editor, automatically! Works with the videos and photos you choose from your iPhone. Outputs videos in a documentary film style to Facebook or YouTube directly from the app.

Artist in Residence at UHS
We welcome Sally O’Callaghan from ANU who is here for the week, working on her paintings and doing some tutorials with our Visual Arts students (providing students with real world experiences). Enjoy your week Sally and thank you for choosing Ulladulla High.

United Nations Youth Parliament Success
We hosted the Youth Parliament on Wednesday 23rd July at Ulladulla High. I was very impressed by the intellectual quality of the debate, in particular the official protocols used to conduct proceedings. I enjoyed listening (if only for a short time) to the level of integration and sophistication of the language. It certainly was a lucid and articulate use of language. Great initiative.

Medieval Madness (Fun + Learning=Success)
During the second week of term, two classes from Year 7 prepared a medieval showcase for the Year 4 students of Ulladulla Primary School. This consisted of students from Year 7 creating various stalls providing information and activities of medieval times for the Year 4 students. From tomato throwing to tasting foods of the medieval times, the students from the primary school had a blast and we must congratulate the Year 7 classes on their tremendous efforts.

Behind The Music - Liam M Yr 12
What instruments do you play?
Guitar & vocals.
When & why did you start playing music?
I've had a passion from a young age, because it really helps through hard times.
Which musicians/bands do you admire & why?
I actually admire my own band, Pointer Park, because we can make something good that's original. I also admire Ben Howard because of how passionate he is about music.
What do you like about playing, listening or creating music?
You can express yourself when you are writing music, it's easier than talking about things.
How do you feel while playing music? There is always a sense of happiness that comes with music, the mood I am in determines what comes out of it.
Do you have any advice for people who are just starting to play an instrument or getting into music? At first you’re not going to be very good, none of us are at first. But if you have a passion for it, don’t give up, because if it is where your heart is, you will get there.
Recommended listen: Stonefield's "Put Your Curse On Me" or Ben Howard's " Esmerelda" & "Black Flies".

Students of the Week
Sarah E Year 8 is always careful to work to her best ability in class. Sarah's helpful and pleasant attitude is really welcome in the class and she is respected by everyone.
Aidan M Year 10 uses his focus and good humour to deal with school life in a balanced way. Aidan is such a good listener that he can carry out discussions in class that interest everyone.

Congratulations to Sarah and Aidan.
Keep up the good work!

We look forward to bringing you next week’s students of the week!

**SPORT SNIPPETS**

**Integrated sport kicks off…**

The third round of integrated sport kicked off this week for most years, with lots of students facing off against their mates in the extremely competitive sport of capture the flag. This game is all about running, stealth, strategy, team work, tactics and more running. The Bara were the first team from year 7 to claim victory (at the expense of a broken finger for Mr Barry) and the Year 8 Daringyan team showed their dominance when they played Bara last week. The rest of the teams will have their chance next week, so start talking hiding places!
