Finally… we are excited about the statewide release of . . .

Microsoft Office 365 and Google Apps for Education

They are now available for use by all DEC teachers and students. Both sets of tools are used around the world to support teaching and learning, and offer a wide range of educational benefits. These online services will assist schools in using a Bring Your Own Device (BYOD) strategy, allowing students and staff to collaborate from any device, anywhere they have access to the internet.

Have a fantastic Week. Denise Lofts, Principal

Principal’s Last word… You get as much as you give. Take every opportunity to stand tall.

Congratulations Tahlya S, ‘Standing Tall’ as Youth Ambassador for Global Volunteer Network Foundation.

We welcome our new students #world class learners

Over Week 1 we have welcomed 220 new Year 7 students, 80 students from other schools and 9 new staff members. That is big in anyone’s terms.

The vision of Ulladulla High School is to build a place of highly successful teaching and learning that is fluid, responsive, dynamic, neutral, alive and able to meet the needs of our young people.

We look forward to the partnership with our parents and community for our students to achieve their aspirations. It is important at this point in the year that students set their goals and have a number of tactics to achieve their goals. We are conducting a “goal setting and time management course” on Thursday after school for senior students. Please take advantage of this opportunity.

We look forward to getting to know our new Year 7 Students and their parents. The Welcome to Year 7 BBQ is coming up for all Year 7 students and their families - mark your calendars - it’s Monday!

Remember what tools you need in the 21st Century learning tool kit.

◊ Kindness
◊ Respect
◊ Resilience
◊ Care Creativity
◊ The ability to collaborate and encourage others
◊ We are a team and we are as good as we all can be

What is your Tool Kit?

Congratulations! You look like "world class" Learners

Thank you to all parents and carers who have been so supportive of our school. The students came to school ready to learn, looking seriously sophisticated and very proud.

The uniform symbolises being part of great team.

A reminder that the shoes are all black leather, available in all our local stores at very reasonable prices. Both the swap shop and the uniform shop were busy for weeks, we thank you for your patience. Remember, if you need assistance with uniform contact the school.

We were privileged to welcome 220 Year 7 on Wednesday
Safety First- Our library gate
In 2015 to ensure the safety of a number of our new enrolments in our Support Unit we will be closing the inner gate from 9.30am until 1pm. This ensures the safety of our students in the support unit. Students who arrive after 9.30 report to Reception to sign in. Parents and Carers, as per usual, make enquiries at Reception.
Reminder: ALL LEAVE PASSES are processed at Student Services between 8.30am and 9.00am. Only under special circumstances will they be processed out of these times. We appreciate parent support in this process.

A Stitch in Time for Emma
Emma G was awarded the Textile and Design CWA Phillip Group’s “Sylvia Osbourne Educational Grant”. This is awarded to an outstanding student studying textiles for the 2015 HSC and we look forward to seeing your final Textile Works Emma.

Year 7 finding their way in High School

Our School Partners in Learning Parent Survey
In our continuing effort towards school improvement, we are implementing an online survey for parents – OURSCHOOL Partners in Learning Parent Survey.

The OURSCHOOL Partners in Learning Parent Survey is an online survey that allows parents to give their input into school improvement initiatives in an anonymous way. We would like all parents to participate so that we take into account your perspective in our strategic planning. The survey is completely confidential – participants cannot be linked to their responses. It will take about 15 minutes to complete.

Please log into the survey site: www.tellthemfromme.com
User name: ulladulla42268
Password: parents123

wonderful things planned for 2015 at
UHS - we would love to meet you

Student Assistance—BYOD
Ulladulla High School is committed to
ensuring that technology is available on
an equitable basis. The school has used
laptops available for students whose families qualify
for student assistance. To do this you must be
receiving Family Tax Benefit Part B. Applications
can be lodged at the schools office and a Centrelink
assessment notice must be supplied with your
application. Priority will be given to those in the
highest need.

App of the week
Strides:
Track all your
Goals & Habits
in one place.
Always stay motvated and on track with flexible
reminders and beautiful charts to help you achieve your
goals.

**Safety around the school**
South Street is the main entrance to the school and parents are reminded that if they double park or park over a driveway or stop in a ‘No Stopping’ zone or in a Bus Zone there is a chance that they will be booked.
Please read the signs carefully around the school. The best place to drop off students is at the south end of St Vincent Street or Camden Street in the ‘No Parking’ drop off zones.
Parking has been organised by the Shoalhaven Council Traffic Committee for the safety of you, other drivers and students, so please take care.
