Is success about learning, or proving you’re smart?
Benjamin Barber, an eminent sociologist, once said, “I don’t divide the world into the weak and the strong, or the successes and the failures… I divide the world into the learners and non-learners”.
What on earth would make someone a non-learner?
When you enter a mindset, you enter a new world!
In one world – the world of fixed traits - success is about proving you’re smart or talented. Validating yourself. In the other – the world of changing qualities – it’s about stretching yourself to learn something new. About developing yourself, success in learning and about growing your potential.

Learning never stops
It was an outstanding initiative when the Year 11 Society and Culture class listened and retold the stories of the residents of Sarah Claydon. It was the culmination of a fantastic project. It was a moving experience to see how much both the residents and the students enjoyed the process. One of the families said, “my mother has been so happy, well and enlivened by the experience”. One of the residents said “no one has ever asked me before to tell my story. It was fantastic to talk to the young people of UHS, and I learnt a lot”.
The stories have been published for the families and the students have gathered insight on the processes of understanding historical stories, and the way in which experience shapes people and places.

Congratulations to all Year 12 who begin their HSC Exams in the coming weeks. Remember the tenacity and the hard work it took to get you to this point, just like that Pigeon House sunrise walk on your last days of school. It was a very hard climb, it was steep, uneven, wet and misty. While you had support from your friends, your teachers, your parents it was ultimately you who had to put one foot in front of the other. You had to climb that summit. You needed a growth mindset. I congratulate all of you for taking the challenge to grow your potential.
Have a fabulous first week.

Denise Lofts

Principals Last word.
Talk to old people. They know cool stuff
Talk to young people. They know cool stuff.

Year 7 Debaters from last term: L–R Ziad El Tobgy, Jacob Webb, Abbey Robinson, Rosie Riddick

Being Punctual is Important. When a student misses roll call they will be recorded as an unexplained absence all day, unless they come to Student Services. This will go onto student reports. The Parent Portal is a great way to check students are doing the right thing.

Sensational HSC Visual Arts
Congratulations to all Year 12 Visual Arts students for completing their Body of Works. Here are a few excellent examples.

We will be showcasing all student’s work in our annual art exhibition which is Week 5 Term 4. Opening night is Monday 2nd November then from 9 to 3 Tuesday 3rd to Thursday 5th November in the MPC.

Big Day Out!
On 3rd September, Year 10 IT and CAPA students went on an excursion to Canberra to visit the Academy of Interactive Entertainment and the National Gallery of Australia. The bus first took us to the academy, where we were separated into two groups. Mine stayed, the other went to the gallery. The students and lecturers explained what it was like to work there, and showed us some of the projects they had completed. We learned that it was not run for profit, and that the academy did not receive royalties from the games and other products made there. Afterwards, we were able to use their software, before getting on the bus again and going to lunch. We then swapped venues, and my group went to the art gallery. We had free reign throughout the building, which was undergoing renovations. Although I don’t usually view artworks, I still appreciated the experience. A variety of Australian and foreign works were on display. After meeting with the other group, we returned to school. Overall, it was a very enjoyable excursion and thanks must be given to Ms Smith, Mr Dolstra, and all others who allowed us to experience it.

T. Shoebridge, IST and Visual Arts student

(Anyone wanting information about the Academy of Interactive Entertainment can contact Ms Smith)

Students of the Week

**Isabel Peterson**, Year 9, always works hard with a smile on her face. She is friendly and polite, and does her best at all times.

**Alex Dadd**, Year 7, has a keen interest in "Paper Planes" and has a number of designs that do tricks such as boomeranging and loops. He has demonstrated to Y8 and Y9 classes how to make these planes. Alex is always a keen and enthusiastic worker.

Congratulations to Isabel and Alex.
Keep up the good work!

We look forward to bringing you next week’s world class learners as students of the week!

---

A reminder that Promo Roll Call have created an email uhspromo@gmail.com for you to email suggestions of anything that you want to see in the Summit Times. Perhaps how our school could improve or if you want the school body to be aware of something.

In the meantime, we hope you have an exceptionally enjoyable Term 4 and we wish Year 12 all the best for their exams and their future.

Year 9 Gifted and Talented Food Technology students cater for NAIDOC celebrations

At the end of last term a group of Year 9 Food Technology students spent all day catering for NAIDOC celebrations. With the conclusion of the unit of work, “Food in Australia,” these Year 9 students were selected to be part of the day because they produced interesting and creative menu items, which emphasised the use of bush tucker ingredients and multiculturalism. The menu for the day included; tandoori pizza with a lemon myrtle yoghurt, kangaroo meatballs with bush tomato chutney, lemon myrtle cheesecake, lemon myrtle cupcakes with buttercream and lemon myrtle toffee shards and a winter vegetable tart. A big thank you to Anita Radford (support staff) and Lissa Bingham (kitchen assistant) and Mrs Murdoch and her Year 9 Food Technology class who provided valuable help throughout the day.

Mrs Curry

Retain receipts for exchange or refunds and LABEL all uniform items

Uniform price list on school webpage. Here is the link:

**From Canteen**

Lots of yummy food at great prices!
With the shorter lunchtime it is wise to organise your LUNCH ORDER before 8.55am or at recess.

Lunch order choices are also available from designer menu. Bags, pens and price list supplied.
See the Canteen page on the school’s website

**How lucky are we? Navy Drops In!**
At the end of last term Albatross visited the school with a Bell helicopter and three crewman to show students the helicopter and talk on careers in the Navy.
Staff and students enjoyed an up close look and a chance to sit in the helicopter and ask questions of the defence crewman.

Kyle Luker, Ben Munyard, Zac Cvetkovic

**Reminder**

We need volunteers desperately in Canteen.
Even if you could only help in the 30 minute lunch time.
We have lost Year 12 parents and others have gained employment - we wish them all the best.
Please phone Linda on 4454 1758 if you can volunteer.
