Our school is Lighthouse of Learning.
Over the last 2 years our school has had many teachers and principals from other schools visit our classrooms. They come to see the innovations in learning that happen as daily practice for our students. We are working toward a product in which every subject has high quality differentiated learning programs, where quality teaching is foremost. Last year we had 10 different schools visit us, this year already we have Macksville and West Ryde Public School booked in for a teacher visit and our expert teachers are visiting other schools to share our successes. It is through a wide collaboration and networking within the education community that our students will benefit. Already a Maths Network exists with the Far South Coast where teachers share their insights and experiences.

Connecting to the real world to find your passion.
Throughout the year, Year 10 will be engaging in finding their passion through our work experience program. Darcy Maguire is one Year 10 student who is very excited about her week, as she will be working alongside the Bangarra Dance Company. We look forward to hearing about her week. The range and scope of the experiences is outstanding and they are off everywhere, including Mambo in Sydney, Japanese Restaurants, Ski lodges, funeral parlors!

Sensational Efforts and Huge Thanks
Our Regional Swimming team are highly commended for the way in which they conducted themselves at Regional Swimming. Proudly they cheered and supported each other throughout the day. We have 18 students through to CHS State, 3 relay teams and a number of outstanding individuals. A huge thank you to our parents and in particular Christine Webb for her amazing efforts in supporting and organizing the team on the day at Dapto, while our Ms Villiers undertook timekeeping throughout the day. We are very grateful.

Year 12 Excellence and Effort
Carra Sebire received an award for a senior student who always does their best, who works diligently at all times and who deserves a break. The award was generously donated by Ingenue who want to reward students who 'need a break'. It's a $50 gift voucher to be pampered. A deserving student will be chosen each term.

Have a fabulous week.
Denise Lofts …. Principal.

Principals last word.
Finding your passion.... Replace the “what questions” (what will I do with my life or what career will I do ) with “who questions”, who will I let shape my character, who will I choose to mentor me. Who inspires me, who will I let be my inspiration?

App of the Week
All our students have access to GOOGLE APPS for Education, Just use your DET email and log in.
Welcome the new executive of our P & C and many new members.
A strong positive partnership with our parents enhances the learning opportunities for our students ten fold. The P & C is a fantastic place to learn about our school and what makes a huge school operate successfully. It is complex and layered, and our parents are strong advocates for ensuring our school is supported to deliver the very best of personalised and engaged learning. We welcome all new parents and carers.

Dynamic Debating!
Last Friday, members from Ulladulla High School’s Debating Team attended a workshop at Smiths Hill Selective High School in Wollongong. It was a very worthwhile day attended by over 50 students from the Illawarra and South Coast Region and culminated in a senior debate which included Ulladulla's Ava Del Tufo as the final speaker on the day. So impressive was Ava's performance that the NSW selectors asked Ava to trial for the state team the following day at Sydney Girls High. Out of 136 trialists, Ava has made it to the final 24 and will now go through a second selection process to make the final team. Well done Ava!

Behind the Red Door
We don't know what's behind the red door. We fear it because whoever enters never comes back. We sit in front of it, waiting. We imagine what is behind it and we see small glances. We know there are hooks up on the walls with blood dripping off them. We are so scared yet still so curious. We don't know who conducts the murders and we don't really want to. Never ever go behind the red door.

P&C News
We had a good turn out at the AGM and it was great to see some new faces. Thank you to the outgoing P&C Executive Janelle Collins, Julie Ramsden and Kylie Wilson and welcome to our new P&C leaders: Kylie Wilson President, Janelle Collins Vice President, Julie Ramsden Secretary and Kylie Creech Treasurer. Great leaders for a world class school.”

Students of the Week
Keira Sloane, Year 7 is a hard-working student who sets a good example for those around her. Keira is a great newcomer to this student orientated learning environment.

Brandon Cassin, Year 9 is a responsible learner and is well admired by students and teachers alike in his enthusiastic and mature approach to learning.

Congratulations to Keira and Brandon.
Keep up the good work!

We look forward to bringing you next week’s students of the week!

TENNS PLAYERS AT STATE CHAMPIONSHIPS
Congratulations to the UHS students who represented South Coast at the NSWCHS Tennis Championships in Parramatta last week. They were James Clarke (Year 12), Shaylee Sydenham (Year 11), Brittany Anderson (Year 10), Morgan Smith (Year 8) and Anton Willet (Year 7).
All played strongly, but special mention must go to Anton who made the quarter finals of the 15 Years Boys draw. This is an outstanding result, especially when Anton is only in Year 7!
2015 looks bright for our UHS Tennis teams, which will compete at the Zone Titles in May.
