Proud of our Students’ Heritage

At UHS we prioritise every opportunity to learn. Thank you for your overwhelming support and praise for the Anzac Ceremony. #makesmeproud

I extend my sincere appreciation and thanks to the HSIE faculty and all the support across the school for your innovation and trust in the students to prepare, research and present a real project to a real audience in commemoration of our ANZAC heritage. #anzac100

It was significant, real, personal and meaningful - all the qualities of a great learning experience. Our students responded superbly. #mademeveryproudofyouall

A special mention to the following persons: Year 9 HSIE teachers, Year 9 students, Year 9 Red Organisation Committee, Sharyn Wheatley, Prue Townsend, Tracey Lenton, Alexis Goldman, Gab Curry and the Year 12 Hospitality students, Matt Skinner and the Year 12 Entertainment students, Sarah Westerway, Brad Brady, the Senior Executive, Special Ed students and staff, Amy Smith, Anne Fair, School Choir, School Captains and SRC, Rachael Tidbury, Chloe Dadd, Zeke Cameron, Year 9 singers and community contributions from the Ulladulla Men’s Shed, Tabourie Museum, Hamish Richardson, Jay Rash and our guest speakers. #Fantastic

Parent power and partnerships through our parent portal

We have had 450 families connected to our parent portal. Fantastic! We would love every one of our parents to be connected. When you log onto the portal parents can view attendance, reports, calendars, merits and communication notices, a myriad of great information about the progress of your child. We encourage our parents to have conversations with your child, whether they are in Year 7 or Year 12. It is important that we ensure that we develop a shared responsibility for success and learning in each student, parent and school business. Please contact Reception if you require assistance to access the portal. Together we are strong.

JAPAN
The trip to Japan was an incredible experience for everyone who went. We tried new, strange foods that we would never normally consider trying, got to experience a whole different way of life, and formed many stronger friendships throughout the trip. We would like to especially thank Mrs Bishop for organising the entire trip, she worked tirelessly trying to organise this for the past year, and we are endlessly thankful for the opportunity we were given. Another thankyou to Mr Barry for accompanying us on the trip, he worked incredibly hard to keep everyone happy, and was a great help to Mrs Bishop.

Zone Basketball
On 23 April the team travelled to Bomaderry and started with a really tough game against Goulburn, which unfortunately knocked us out of the Regionals. Our 2nd game was against Karabah High and all the girls played brilliantly, each one was a standout. Thanks to the parents that organised their kids & those that drove and supported us.
Greatly Appreciated …. Ms Donna Cattanach (Coach)

Chad Wins Trip to Fiji!
The South Coast Schools Surfing Titles were held recently at Rennies Beach, Ulladulla.
Representing Ulladulla HS were Olivia Chopping and Claire Bierke (who finished in 5th place) in the junior girls. Rubie Reents surfed well to win the Senior Girls Individual Champion.
In the Junior Boys, Charlie Brophy and Jesse Wood were unlucky to not make the semi finals. Dan Pyemont and Chad Elkins entered the Senior Boys with Dan surfing consistently in the early rounds and Chad impressing the judges to win the Final and be named the Senior Boys South Coast Champion.
The highlight of the day was the awarding of an amazing prize, being a surf trip to Fiji that had been donated for the surfer who had the highest wave score on the day. All day it looked like Rubie was packing her bags for Fiji, until Chad came out in the final and gained a near perfect ride to win the prize!
Best of luck to Chad and Rubie who travel to Port Macquarie for the State Finals in July. Skyla Rayner will team with Rubie to represent South Coast in the Senior Girls Team.

Respectful Remembrance
The students in our faculty worked like little art soldiers to complete wreaths for the Anzac Day ceremony.
A huge thank you to Katielee Smart for laying the wreath on stage on behalf of Special Education.

Year 11 Students Doing Something Great
In their study of Production Elements, Year 11 Drama undertake experiences in areas of design; set, lighting, promotion and costume. This week saw them confronted with the task of designing and creating a costume in 15 minutes. Presentation of character and consideration had to be given to all Design Elements, and they didn't miss a beat! In groups, armed with; scissors, tape, glue and the recycling bins, the process and results were a testament to their creativity, knowledge and collaboration.

Photo: Emma Young-Smith modelled the 'soldier' costume, with the brief showing the two sides of the role: the polished, medalled, appearance in contrast to the war-torn, embattled soldier.

Getting real about No bullying
UHS is taking part in an Australian government funded study to discover how State and Territory schools in Australia are addressing the problem of bullying. Information is being gathered from schools and from students throughout Australia. They can tell us a great deal about what policies and practices are being adopted and how successful they are. It takes approximately 15 minutes to complete. But in addition, we believe that parents of children attending schools can tell us a good deal about their children’s school and the experiences of their children. Even if your child is unaffected by bullying, your views and opinions on school bullying are of great interest to us. Please take some time to answer this anonymous questionnaire on-line. It will help in developing better policies and practices in Australian schools.” http://tinyurl.com/RigbyPS2015

Students of the Week
Tylah Emslie Year 10 is very focussed and gets involved in her work showing original thinking. Tylah is well respected and liked by her peers and teachers.

Jacob Williams Year 12 always gives 100%, whether it is leading the ANZAC Day march for our school as Captain or doing independent revision and takes every opportunity to participate in class discussions. Jacob is also always there to help and, for a really busy Year 12 person, that's amazing!

Congratulations to Tylah and Jacob.
Keep up the good work!
We look forward to bringing you next week’s students of the week!

Love Comes to Little Shop
Lines are being learnt and actors are beginning to own their roles. Lead Ethan Toghill, in the role of Seymore, is feeling the pressure of leading ladies Malorie Papworth and Issy Rabbidge (pictured) as they fall for his character’s guileless charm.
With the show set to hit the stage later this term the rehearsal process is gathering steam and the amazing cast is well and truly up to the challenge. Both at lunch times and after school the voices, performances and tunes being struck by the band and this cast are a clear testament to the talent and application at UHS.
Be sure to support this talented crew. Ms Jauncey

What is Positive Psychology?
Positive Psychology is not about putting on a happy face all the time. Life can be hard and disappointments and challenges are inevitable. However, scientific research has shown that there are identified strategies and skills that allow people to navigate the challenges of life more effectively and enjoy life despite the upsets. Elements of positive psychology and best explained through the PERMA framework. http://au.professionals.reachout.com/about-positive-psychology
This area of psychology founded by Professor Martin Seligman shifts the focus from what is clinically wrong, to the promotion of wellbeing and the creation of a satisfying life filled with meaning, pleasure, engagement, positive relationships and accomplishment.
