Learning that is worth sharing...
Last week we had several teachers visit from Macksville High to see our students in action. Our Year 9 students were impressive. They are working on their “elephant in the room project” a collaboration between English and Science. The project requires students to investigate and create a campaign about some form of animal issue. The investigations range from puppy farm issues and endangered animals to environmental devastation. Their presentations will be in week 6 and 7 and are well underway. Check our face book page for some of the project videos. #UHSDomesticAnimalCruelty and #ArmBandsForAnimalCruelty

Real world connections.. our Attainment of Excellence
Our students are heavily involved in courses that engage them in the real world. Jackson Rutter has been industriously undertaking a Traineeship with National Parks. Most recently Jackson has been “shortlisted” for School Based Trainee of the Year in the 2015 NSW Training Awards. I am sure we all have our fingers crossed for Jackson to make it through as a finalist.

Go and make a difference. And that is exactly what Blake Nolan has done.
We have fabulous news about Blake. During Year 12 (as a student last year) at UHS Blake undertook a course in Business Administration, balancing the challenges of his studies with the heavy commitment of a traineeship. As a result of his outstanding effort and achievement Blake Nolan has been presented with a number of highly prestigious awards from The Western Sydney Institute for the 2015 Student Excellence Awards namely:

- The Aboriginal and Torres Strait Islander Student of the Year and
- Finance and Administration Student of the Year 2015.
This is in addition to Blake being awarded the 2015 OTEN Aboriginal Award. These are outstanding achievements and we wish Blake all the very best. This leads the way for all our students to achieve as well as Blake, through hard work, perseverance and dedication to your studies.

Have a fantastic week.
Denise Lofts,
Principal

Leading the Way...Unique and Local
Building learning that is Strength Based, Unique and Local can not be more evident as in our Board of Studies approved Applied Sports Studies - Surfing Industry Course. Year 9 have certainly impressed their teacher Miss Goozee with the enthusiasm, energy and gusto in which they have undertaken the broadness of this course. From the understanding of the weather, life saving skills, ocean care, fitness and health, surfing knowledge and skill are all part of the course. Extension classes have happened before school, and yes they start at 7 am, taking advantage of the good swell. Students engage in world class coaching from Pam Burridge Surf Schools. I was very lucky to join the class before school. What an impressive group of students and what a fantastic way to start our day.

Principal’s last word...
See you at the Athletics Carnival..... The more you do, the more fun you have.
Naplan and the achievement of Literacy and Numeracy

I congratulate all the Year 7 and Year 9 students who did their very best during the exams of Naplan. As we know having proficiency in Literacy and Numeracy is vital, along with all the future skills necessary to achieve success beyond school. This takes practice and perseverance. You can achieve anything if you work hard and approach everything you do with the attitude “We can always improve”.

Students Raise Funds for Nepal Earthquake Appeal

Cupcakes were made and decorated by Mrs Murdoch’s Year 10 Food Technology students. They were donated to a Silent Auction where staff enthusiastically waged a bidding war for their selection of cakes. Between these 2 classes $510 was raised. Congratulations and a huge thankyou to both students and staff who are always supportive! Nama Stay!!

Year 10 Naval Aviation Excursion to Albatross

Our Year 7 teaching Kinder students about making Clay Echidnas.

App of the Week

Good Reads.. for the Book club types.

Discover and share books you love on Goodreads, the world’s largest site for readers and book recommendations! Find new and interesting books by browsing personalised recommendations based on books you’ve read.

Real World Connections Through School

Congratulations to Ziggy Jones, Year 11, who has signed up for a School Based Apprentice Traineeship with Commonwealth Bank.

South Coast Touch Teams Selected

Once again UHS touch players have impressed selectors and gained selection in South Coast Representative teams. Congratulations to Lily Murdoch, Taryn Love and Brittany Anderson who will make the long trip to Inverell for the State Carnival in Week 7. Travis Wooden and Tarje Whitford will travel to Coffs Harbour in Week 9 for the NSWCHS Boys Touch Championships. Good Luck to these talented Touch stars! Also, what an achievement for Lily Murdoch and Travis Wooden! As a result of their performance representing South Coast at Mudgee, (along with many other UHS team mates) Lily and Travis were announced in the NSW team. Congratulations to all our South Coast15 Years Touch Representatives.

Special mention to Mikaela Jones who attended the championships as a referee and did a fantastic job. Referees have an important role and Mikaela excelled. All at UHS are proud of you!

Zone Cross Country Carnival

Last Friday, a group of UHS athletes travelled to Nowra to participate in the Zone Cross Country Carnival. It was a great day and the beautiful weather almost made up for all the hills that had to be run throughout the course. Ulladulla finished in third place with many athletes selected to go through and represent our school at Regionals. Congratulations to Lily Murdoch (13 yrs girls) and Lily Boland (16 yrs girls) who were named age champions on the day.
YOU ARE INVITED...
To:
The 2015 Ulladulla High School Athletics Carnival
When:
Tues 19th & Wed 20th May
Where:
Ulladulla High School
Time:
8:45am (for a 9:00am roll call)
What to bring:
Yourself (to compete)
Your friends (to compete with)
Money (BBQ and Jumping castle)

Students of the Week

Holly Nowland Year 7 always tries her best and asks great questions in class. Holly is good at reflecting on her own learning journey and is a fine model of a UHS student doing their best.

Timothy Shoebridge Year 10 sets high standards for himself and always supports others which is important in our world. Both academically and creatively, Timothy strives to (and successfully) achieves his best work always.

Congratulations to Holly and Timothy
Keep up the good work!

We look forward to bringing you next week’s students of the week!
